Samataa: An Exposition of Similarities in Lalita Sahasranama with Soundaryalaharee, Saptashatee, Vishnu Sahasranama and Shreemad Bhagavad Geeta Dr. Ramamurthy Natarajan

An exposition of Similarities in Lalit? Sahasran?ma with Soundaryalaharee, Saptashatee, Vi??u Sahasran?ma and Shreemad Bhagavad Geeta. There are lot of Pur??as and Stotras about every God/ Goddess in Hindu religion. This provides liberty to the devotees to imagine the God/ Goddess in the form of his/ her choice. However, when these Pur??as and Stotras are studied in depth it is very clear that they all convey the same sense. In one place it is N?r?ya?a and in another place it is N?r?ya??. Somewhere it is as Ardhan?r?shvara – i.e. The left half of ?ankara is ?r?dev? and in another place he is ?ankaran?r?ya?an – i.e. N?r?ya?a sharing the body - left half with Lord ?ankara. Logically this clearly implies that both Shreedeevee and N?r?ya?a are one and the same. Likewise there are lots of similarities between Stotras about different Gods/ Goddesses. It may not be a surprise that Lalit? Sahasran?ma has similarities with Soundaryalahar? and Saptashat?, because all the three are about ?r?dev?. But how about Vi??u Sahasran?ma and ?r?mad Bhagavad G?ta. Primarily they are supposed to talk about Lord Vi??u, but still they also talk the same language – about ?r?dev?. Hence it can be concluded that there is only one God. Whichever form of God we worship we are in the path to liberation. Devotees can imagine the form of that God in the way they like and worship. Let ?r?dev? shower her choicest blessings on the readers.
