Hard Hit: Secret Baby NFL Romance Kara Jones

Paperback comes with discreet cover. **NFL Bad Boy and a small town girl meet once again!** Sarah Matthews has been forced in a path she's grown to hate due to her parents pressuring her to be the best. The piano that used to be her sanctuary became the curse that made her yearn for freedom. Her best friend Mae Shepherd helped her as best as she could, and she felt the warmth of being a part of a family with Mae's parents, unlike the coldness of her own household. It also helped that Mae's brother, Jake, was everything she could ever hope for in a man, and wished with all her heart that her feelings would reach him one day. Everything comes into a head when a drunken night leads to Jake and Sarah falling into each other's arms and Jake passes it all off as a mistake, breaking her heart completely. Sarah was dead set on leaving him alone and forgetting all about him. But sometimes, fate had other plans and the person you're striving to escape from will come back to you, in more ways than one. *(Perfect for readers of Sosie Frost, Lauren Landish, and Bella Love-Wins!)* **This is an 11,000-word story containing explicit adult sexual content with no cliff hangers and a happy ending.**
