## **Lucky Pigs** Susan Rooker

Listen as Nikki retells her piglets' favorite bedtime story. It is the story of how she escaped a factory farm, give birth to piglets on a "mound of dry ground" and how they came to live in peace at Farm Sanctuary, Watkins Glen, NY. In the end, Nikki does not know if her piglets believe that the story she tells is true. She doesn't mind. She knows they will live long and happy at Farm Sanctuary. More of us are becoming aware of from where our food comes and how the animals involved are treated. This story can open discussions for older children or can be read as a simpler story for younger children.
