**Operations Management: A Supply Chain Process Approach** Joel D. Wisner

**Finally, an operations management book to get excited about.**

**Operations Management: A Supply Chain Process Approach** exposes students to the exciting and ever-changing world of operations management through dynamic writing, application, and cutting-edge examples that will keep students interested and instructors inspired! Author **Dr. Joel Wisner** understands that today's students will be entering a highly competitive global marketplace where two things are crucial: a solid knowledge of operations management and an understanding of the importance for organizations to integrate their operations and supply chain processes. With this in mind, Wisner not only provides a clear and comprehensive introduction to operations management, but also gives attention to the important processes involved in linking firms' operations in a supply chain environment.
