- There's hell to pay...so pucker up! Ten days. Ten kisses. Ten souls. That's the deal LA production assistant Lili Bloom made with The Devil to get out of a dire situation. But there's a big difference between wishing someone would go to hell, and actually having the power to send them there. Caught between a lip-lock and hard place, will Lili make good on her commitment? Or will she choose to kiss her one true love goodbye instead?
- The debut Image series by acclaimed Vertigo writer Steven T. Seagle (*American Virgin*) lavishly illustrated by Marco Cinello is collected for the first time in this stand-alone volume featuring the five-issue series along with never-before-seen "director's cut" material including production and development art, as well as a conversation between the creators.
