Tomas Tranströmer

The Great Enigma: New Collected Poems Tomas Tranströmer

The collected poems of one of the world's greatest living writers, Tomas Tranströmer, available in this comprehensive edition.

*In day's first hours consciousness can grasp the world
as the hand grips a sun-warmed stone.*

Translated into fifty languages, the poetry of Tomas Tranströmer has had a profound influence around the world, an influence that has steadily grown and has now attained a prominence comparable to that of Pablo Neruda's during his lifetime. But if Neruda is blazing fire, Tranströmer is expanding ice. *The Great Enigma: New Collected Poems* gathers all the poems Tomas Tranströmer has published, from his distinctive first collection in 1954, *17 Poems*, through his epic poem *Baltics* ("my most consistent attempt to write music"), and *The Sad Gondola*, published six years after he suffered a debilitating stroke in 1990 ("I am carried in my shadow / like a violin / in its black case."), to his most recent slim book, *The Great Enigma*, published in Sweden in 2004. Also included is his prose-memoir *Memories Look at Me*, containing keys into his intensely spiritual, metaphysical poetry (like the brief passage of insect collecting on Runmaro Island when he was a teenager). Firmly rooted in the natural world, his work falls between dream and dream; it probes "the great unsolved love" with the opening up, through subtle modulations, of "concrete words."
