The Steering Wheel Ain't Connected to the Wheels: (It's Just for Show) Alexander T. Newport

You don't really want there to be a god---and you don't want to believe you are here to "grow spiritually" or become "enlightened". You would prefer to believe you are a perfect spirit who chose to forget his spiritual life for the thrills & spills of being a "flawed" mortal.

In this book you will find pep talks about the futility in expecting to ever be continuously happy or pain-free in this world of flesh & bone, as well as general musings about Death, Destiny, Freewill, and the important difference between what is fake and what is Real.

"I didn't want to be ruthless and genocidal, but I couldn't help it.

Now I know why."

---Adolf Hitler

"I was telling the truth when I wrote, "All the world's a stage", but no one believed me."

---William Shakespeare

"At last, it all makes sense. The reason god doesn't play dice is because there never was a god---and thank goodness!"

---Albert Einstein

You're on a ride---and the steering wheel ain't connected to the wheels, dig? It's just for show.

You gave up control as a soul when you chose to forget the truth so this dreamgame would seem real.
