## **Warrior's Conquest (A Knightspell Tale) (Volume 1)** Elle James, Delilah Devlin

A twenty-first century woman transported to medieval times is forced to accept the protection of a beast of a sexy warlord as they struggle to survive in the middle of a war-torn land. With proportions that would make Xena weep, Jacqueline Frazier despairs of ever finding a lover she can't intimidate. Until the day she ignores a warning regarding use of a family heirloom, and finds herself swept off her feet by a knight in not so shining armor, back to the twelfth century. Forced to accept the protection of an overbearing, beast of a man, Rufus of Rathburn, Jacq struggles to find her place in the past while seeking a way back to the future. In the meantime, she aids Rufus's war cause with a little 21st century ingenuity, shaking up the warlord with lessons in bomb-making, guerilla tactics, and the joys of sex. At first unwilling, and ungrateful, Rufus begins to see merit in Jacq's odd ways. Through Jacq's eccentricities and willfulness, Rufus learns she is a woman to be reckoned with, as well as a lusty handful in bed. Will his admiration of her cunning, strength and uninhibited sexuality grow into a love that breaks the barriers of time? And will their love be strong enough for Jacq to plot a different future in the past?
