Will Bella learn to use her inside voice?

Bella has lots of enthusiasm and a VERY loud voice. Try as she might, she just can't remember to use her inside voice, and when her class visits the art museum, Bella's big voice gets her in big trouble—and nearly ruins the trip for everyone. But when she accidentally gets on the wrong bus back to school, it turns out that top-notch shouting skills can sometimes come in handy.

This spunky character gives teachers and parents a fun way to discuss when to use inside voices and when it's okay to shout.
