CJ:Realities and Challenges empowers students to think critically about the daily realities and challenges of the criminal justice system. Using the text's framework of Observe–Investigate–Understand students learn to recognize the myths of the U.S. criminal justice system and gain a greater comprehension of its complexities. The program brings together the insights of an expert author team of practitioners and scholars to present a contemporary and realistic perspective on a vital U.S. institution. With Connect for Criminal Justice a ground breaking digital learning platform students study more effectively by using engaging activities to confirm what they know and to learn what they don't know. The new Connect course includes SmartBook which encourages readers to apply their knowledge to real world scenarios building the foundation for successful careers in criminal justice. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments quizzes syllabus notes reminders and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready loose-leaf version includes free shipping.
