Michael Molloy's multi-dimensional examination of religions supports today's students and provides skills that extend beyond the Introduction to Religion course, engaging both non-majors and majors in the subject. The goal of the 6th edition is to better meet course challenges of building student engagement, developing critical analysis skills, and building writing skills. This edition continues to include primary sources, current examples, and coverage of women to ensure students are introduced to unfamiliar religions in ways that are accessible and intriguing.
