International Retail Marketing Strategies Dr. Y. Ramkishen

Retail is a US\$12 trillion industry and one of the largest employers after agriculture across the globe. The share of organized retail varies widely from just one per cent in Pakistan and four per cent in India to thirtysix per cent in Brazil and fifty-five per cent in Malaysia. Retailing is a challenging task in the changing dynamics of the market environment, which has seen unprecedented developments in the past few years. Managing in this environment calls for innovative retail strategies. This textbook explores the strategies which are retail specific and can be adopted by the retail industry across the world. It offers solutions to the retail problems emerging in the day-to-day operations of the retail stores. The book is primarily aimed at students pursuing graduation and post-graduation in retail (MBA/BBA/Diploma), professionals and consultants engaged in the field of Retailing. Key Features Covers important aspects like Store Operations, Rural Retailing, Strategies for Unorganised Sector, Retail Communications, Retail SCM Provides insights on the dynamic environment in the world of Retail Includes strategic frameworks that provide new direction and innovative ideas regarding retail operations in today s world

From reader reviews:

Jim Martin:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining like comic or novel. The International Retail Marketing Strategies is kind of reserve which is giving the reader unstable experience.

Dwight Hancock:

Information is provisions for individuals to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is in the former life are difficult to be find than now's taking seriously which one would work to believe or which one the particular resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take International Retail Marketing Strategies as the daily resource information.

Susan Douglas:

Reading a book being new life style in this year; every people loves to go through a book. When you go through a book you can get a lot of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. In order to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The International Retail Marketing Strategies will give you new experience in studying a book.

John Moreno:

Is it you actually who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This International Retail Marketing Strategies can be the respond to, oh how comes? A book you know. You are consequently out of date, spending your time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
