Managing Chemical RisksCorporate Response to Sara Title III: Revised Edition Michael S. Baram, Patricia Dillon

SARA Title III is a legislative attempt to lower the risk of chemical manufacturing and use to the public. These regulations have been in place now for over four years and this valuable new book represents a series of studies that explores the environmental management behavior of industrial corporations. The book features excellent case studies that will serve as important reference material for environmental managers, health and safety officials, regulators, consultants, and environmental attorneys.
