## **Taurus Verses: of the Earth** Artyom Humenyuk

The former Soviet State Ukraine has had over 20 years of Democracy. During that time, the nation has experienced economic and social upheavals unlike any in modern history. Ukrainian author Artyom Humenyuk takes a poignant poetic look at society and government in that nation--a look that eerily resembles life in America today. Produced unedited in both English and Russian, Artyom contemplates life in a fledgling Democracy in a way that is both telling and curious...weaving social criticism with magic realism in a compelling and delightful manner.
