Fed up with a less than stellar love life and frustrated with a job that's going nowhere fast, aspiring travel writer Jadie Peregrine is in a rut. What she really wants to do is travel the world meeting smart, sexy guys and writing fascinating articles that magazines are eager to publish. Then it hits her...why not just do it? With her best friend Tate in tote, Jadie plans their whirlwind trip to Europe. They'll see the sights, meet new people, and hopefully hook up with some good-looking guys. What could be better? It turns out nothing is better than Justin Devlin, the hunky American they meet in Italy. He's got a fabulous sense of humor, a cute tush, and the sexiest green eyes imaginable. Finally a romance worth writing about! And what starts out as an innocent springtime fling for Jadie is soon becoming much more. But hold on a sec. Time for a reality check. Jadie has a "real life" waiting for her back home in the States. What is she thinking? Or rather, is she thinking? All Jadie knows is that love has come knocking on her door, and she's tempted to open it and discover what's waiting behind it...
