The Religion War

Scott Adams

The Religion War Scott Adams

??In this frenetically paced sequel to Adams' best-selling "thought experiment," *God's Debris*, the smartest man in the world is on a mission to stop a cataclysmic war between Christian and Muslim forces and save civilization. The brilliantly crafted, thought-provoking fable raises questions about the nature of reality and just where our delusions are taking us.

??With publication of *The Religion War*, millions of long-time fans of Scott Adams' *Dilbert* cartoons and business bestsellers will have to admit that the literary world is a better place with Adams on the loose spreading new ideas and philosophical conundrums.

??Unlike *God's Debris*, which was principally a dialogue between its two main characters, *The Religion War* is set several decades in the future when the smartest man in the world steps between international leaders to prevent a catastrophic confrontation between Christianity and Islam. The parallels between where we are today and where we could be in the near future are clear.

??According to Adams, *The Religion War* targets "bright readers with short attention spans-everyone from lazy students to busy book clubs." But while the book may be a three-hour read, it's packed with concepts that will be discussed long after, including a list of "Questions to Ponder in the Shower" that reinforce the story's purpose of highlighting the most important-yet most ignored-questions in the world.
