**Why Building the Third Temple in Jerusalem is a Jewish Right and a Christian Imperative!**

This book is of vital importance to Christians and Jews who question the urgency of building the Third Temple in Jerusalem. It answers the most critical WHY, WHERE, WHEN and HOW questions by revealing the most important untold secret of the Holy Land. King Solomon's Temple helped shape Christianity as we know it today.

Sharing this ancient secret is an imperative for Christians. This is because our present day understanding of this sacred site is largely based on the limited knowledge of those who once lived and worked outside its walls. Even though they cherished it as the holiest site of their nation, their misperceptions have endured until now.

With *Jesus and the Third Temple*, you are transported back in time to bear silent witness to the ancient sanctification and purification rites of God's Chosen People. This was a time when they - and they alone - worshiped their God upon the hallowed grounds of the Temple Mount.

There, you will learn ancient secrets that have survived time, cataclysm, conquest and change. Secrets shared only with those deemed worthy to enter the *Kodesh Ha-Kodeshim* so as to be schooled in the curriculum of the sacred. There, you will learn what they and few today already know. God's Divine Presence, *Shekhinah*, actually dwelled in the Tabernacle, Solomon's Temple and the Second Temple.
