Jesus is at Work Dave Hilgendorf

""Does the work I do every day really matter?"" Pastors and pawn shop owners, doctors and ditch-diggers, home-makers and handymen. They all ask that question at least once in their lives. Some are haunted daily by the elusive answer that only leads to more questions. The good news is that God does have a purpose and assignment for you and your work. The best part is, you don't have to change your job or your circumstances to experience more joy and purpose in your work than you've ever imagined. Jesus is at work in your personal life and at your place of employment. Once you open your eyes to that reality, the sixty second walk from your car to the front door of your job will never be the same.
