Psalms: Psalms 107-150 (Expositional Commentary)

James Montgomery Boice

Psalms: Psalms 107-150 (Expositional Commentary) James Montgomery Boice

The Boice Commentary series combines careful scholarship and clear communication in a verse-by-verse and section by section reading of various biblical texts. Combining thoughtful interpretation with contemporary insight for daily living, James Montgomery Boice explains the meaning of the text and relates the text's concerns to the church, Christianity, and the world in which we live. Whether used for devotions, preaching, or teaching, this authoritative and thought-provoking series will appeal to a wide range of readers, from serious Bible students to interested laypersons.

"The psalms themselves," says Boice, "speak so powerfully to the hurts, fears, disappointments, faith, hope, and spiritual aspirations of God's people." This third and final volume in the Psalms collection explores the psalms known as the "Songs of Ascent" (135-150), which deal with the theme of worship-teaching us what true worship is and when and how we should praise God.
