Tamara Milton just dumped her philandering, abusive ex Terry, and plans to distract herself from her broken heart with a weekend of piloting her boss's yacht on a Caribbean fishing trip. But time alone with handsome billionaire Samuel Corso proves more than a little distracting, as the crush she's been trying to ignore for months starts to blossom. Their slightly sexually awkward idyll is broken when a powerful storm strikes the area two days early, cutting them off from land and forcing them to ride it out on the open sea. But she's in for an even bigger shock than the sudden storm as the two of them huddle below decks to shelter from the pounding waves. She never expected, in her time trying to hide her desire from her employer, that it might be mutual. But what happens when the storm ends, and they must face each other in the hard light of day?
